SUPPORT IN THE COMMUNITY

Women's Aid ABCLN Domestic Abuse Specialists provide information, one to one support and group work for women affected by domestic abuse in the community.

We help women to address the impact of domestic abuse on their lives by providing:

- Emotional support on an individual basis or in a group setting
- Personal development and confidence building
- Facilitate courses, training and education opportunities

We create a safe and supported environment for women to discuss issues and learn through shared experiences.

We believe that no-one should have to live in fear or threat from abuse.

If you are affected by domestic abuse you can contact:
